TURI

CHARDONNAY
CENTRAL VALLEY

Chilean ancient cultures were exceptionally rich civilizations, capable of building sophisticated urban emplacements and a prosperous way of life. Placed on the unique Atacama Desert, the Pukara of Turi was built in the 10th Century AC and is one of the evidence we can see nowadays.

Turi Chardonnay is young, with fresh citric and tropical notes. With an elegant acidity, round mouth and a smooth touch of minerals, makes it perfect to match fresh salads, fish and seafood.
