LEYDA
RESERVA

Sauvignon Blanc

Leyda valley is nestled in the rolling hills of Chile's coastal mountain range. Located just eight miles from the Pacific Ocean it has a distinctly cool maritime climate. The Leyda winery created a new D.O. in Chile by being the first to plant grapes there in 1998. Before then the valley was best known for the iconic blue train station that connected the capital city of Santiago with the Pacific coast and the port of San Antonio. Today Leyda is home to some of the most elegant, expressive cool climate wines from Chile.

TASTING NOTES: Herbal and green character together with ripe citrus aromas, grapefruit and passion fruit. Enjoy with salads, cebiche, oysters, sea food, fish.
