From every constellation, a perfect balance emerges.
It was the powerful sight of these stars in the night sky, seen from the
foothills above the Andes Mountains, that inspire the creation of Sideral -
from the Latin word sideralis, meaning "constellation".

Sideral- flawless synergy of every one of its grapes to create
a constellation of exceptional taste.

Origin: Sideral comes from different soils that reflect the diverse geological and geomorphological
origins in the estate. Altered volcanic soils and alluvial-colluvial deposits with presence of andesita
and blue basalt rocks. 34°21' Latitude S / 70°42' Longitude W

Aging: This wine was aged for 16 months, 90% in 225-liter French oak barrels (20% new) and
the remaining 10% in 2,000-liter foudres.
