RED BLEND

Gran Reserva Etiqueta Roja is a blend of Cabernet Sauvignon and Syrah from the Maipo Valley, which is recognized for its excellent terroir and ideal climatic conditions. Thanks to the Biodiversity Conservation of our estate, we have achieved naturally balanced vineyards and soils, which reflect the unique characteristics of our soils, providing wines of outstanding quality, a true reflection of their variety.

Appearance: Intense, bright red with violet hues. Nose: Notes of black fruits such as blackberry, blackcurrant and plum stand out, accompanied by spicy notes such as pepper and cinnamon. Palate: Good concentration, juicy, long with fine texture and good acidity. Delicious with red meats, pasta with bolognese sauce and vegetables. Serve at 17 - 18 °C.
