Alpaca

CABERNET SAUVIGNON

The Alpaca is a domesticated animal of the Camelidae family and a native of the Andes. This creature is highly valued for its luxurious wool, which today is exported around the world.

The wine has a ruby red colour with a limpid and bright appearance. It is Intense and persistent, with aromas such as strawberry, ripe black plum and touches of chocolate, mocha, vanilla; Pleasant caramel and toasty aromas are given off by the oak. Soft and round tannins produce a pleasant and persistent body, volume and fatty character in the palate, ripe strawberry, blackberry, blueberry; sweet taste like toffee, chocolate, vanilla; A pleasant, delicious long finish. Serving suggestions include roasted red meat, strong chesses, such as Camembert, white meats, roasted poultrys, pasta with tomato or pesto sauce.
