Alpaca

CARMENÈRE

The Alpaca is a domesticated animal of the Camelidae family and a native of the Andes. This creature is highly valued for its luxurious wool, which today is exported around the world. The wine has an intense, deep plumy red colour. The aroma is very suggestive, spicy notes such as black pepper and cloves; black fruits like plum, blackberry and blueberry. Also are present aromas of black chocolate and coffee. A young, gentle, soft and long wine; its tannins are ripe and soft. Medium palate is full, sweet and fruity. A rich blend of fruits and spices can be found. Its finish is full, soft and harmonic. Serving suggestions include tuna fish and salmon, meat such as turkey, quail and beef, a good pasta with tomato or pesto sauce also pair with a wide range of cheeses: mozzarella, brie, Gruyere, etc.
