MAGALLANES

MERLOT

Fernando de Magallanes was a Portuguese-born maritime explorer who, at the service of Spain, attempted to find a westward route to the Spice Islands of Indonesia. In 1522, his expedition was the first to circumnavigate the globe and the first to navigate the strait in South America connecting the Atlantic and Pacific oceans. This wine is a homage to this brave man.

Deep ruby red color. Aromas rich in blackberries combined with almonds, pepper and clove. This well balanced young wine has a good acidity and soft and rounded tannins.
Ideal for pasta with light sauces and semi hard cheeses.
Serve at 15-17 °C.
