MALBEC ROSÉ

In southern South America there is a land where immensity reigns, the contrasts amaze us and people's warmth is unsurpassed: Patagonia... how to describe it? A land of extremes that brings us back to old myths, adventures and legends.

The Amancay flower is the queen of the Andean Lakes District. The legend says that whoever gives an Amancay flower, also gives its heart.

Serve at 16° - 18° C (61° - 64° F)
