DON **EUGENIO** Cabernet Franc In 1880, Don Eugenio Bustos, a viticulturalist pioneer of Mendoza, took possession of a large area of land in the Uco Valley, where he planted top quality vineyards. This area is perfect for growing grapes because of its great temperature range and the high level of solar radiation which it receives. This allows the grapes to mature slowly and steadily, so white grapes produce powerful aromas and reds have ripe tannins and good skin colour. The resulting wines have great intensity and structure.
