UCO VALLEY - MENDOZA

Each year, Jed's three young Australian winemakers travel to Mendoza, Argentina to produce wines that express the unique characteristics of this acclaimed region.

Jed Malbec is grown in the foothills of the Andes in Mendoza's Uco Valley – renowned for producing the world's finest Malbec.

After nearly 500 years of winemaking in Mendoza, the southerly located Uco Valley has emerged as one of the world's most exciting fine wine producers. High altitude, intense UV light and pure snowmelt from the Andes glaciers set the region apart from all others.
