## SAUVIGNON BLANC

The grapes that give origin to these wines come from the Uco Valley, where our vineyards benefit with the conjunction of poor soils, very cold nights, hot days, and the purest water.

*Angaro* means *fire* in Mapuche, an Indian language that was spoken in Mendoza. Angaro wines are characterized for presenting intense aromas, soft tannins and a fruity taste.

Ideal as an apéritif or for pairing with shellfish and soft cheeses.

Serve at 8 - 10°C (46° - 50°F)
