MAGALLANES ROBLE

CHARDONNAY

Fernando de Magallanes was a Portuguese-born maritime explorer who, at the service of Spain, attempted to find a westward route to the Spice Islands of Indonesia. In 1522, his expedition was the first to circumnavigate the globe and the first to navigate the strait in South America connecting the Atlantic and Pacific oceans. This wine is a homage to this brave man.

Golden yellow color. A very aromatic wine that combines touches of pear, green apple, vanilla and coconut. Fresh and well balanced on the mouth, with a gentle and long acidity.

Ideal for seafood, sushi, paella and white meats.

Serve at 8°-10°C.
