TASTING NOTES Deep red colour with violet shades, and very brilliant. Complex aromas, product of the different contributions from its dedicated elaboration process: fruit jams, spices, toasted bread and vanilla. In the mouth, it has a sweet entrance, with mature and amicable tannins that determine its elegance. It is a wine of good volume and weight, strong structure, and a lingering finish, with persistent aromas. Serve at 16-18°C

Unfiltered wine. It can present sediments.  
We advise to decant it 40 minutes before serving.
