Argentina is home to the great open spaces of the pampas, the soaring peaks of the Andes, and the sultry romance of the Tango.

The purity of this land and the passion of its people are reflected in the wines of Tango Sur. Our vineyards are in the shadow of the Andes at an elevation of over 4,000 feet, where the vineyards meet the mountains and the mountains meet the sky. The resultant wines are silky and elegant, yet pure and inviting - perfect for an evening with the one you love.
