MAGALLANES

CHARDONNAY

Fernando de Magallanes was a Portuguese-born maritime explorer who, at the service of Spain, attempted to find a westward route to the Spice Islands of Indonesia. In 1522, his expedition was the first to circumnavigate the globe and the first to navigate the strait in South America connecting the Atlantic and Pacific oceans. This wine is a homage to this brave man.

Pale yellow color with a gentle fruity aroma that reminds of white peach and pineapple. This wine presents a refreshing acidity and a long and pleasant finish.

Excellent with shellfish, mild fish and white meat dishes.

Serve at 8-10 °C.
