MAGALLANES

MALBEC

Fernando de Magallanes was a Portuguese-born maritime explorer who, at the service of Spain, attempted to find a westward route to the Spice Islands of Indonesia. In 1522, his expedition was the first to circumnavigate the globe and the first to navigate the strait in South America connecting the Atlantic and Pacific oceans. This wine is a homage to this brave man.

Intense violet - red color. Its deep aroma reminds of fresh fruits, especially plums and cherries, combined with a spiced tone. It has a pleasant flavor on the palate, making this an ideal wine for habitual consumption. A very good accompaniment to empanadas, roasted red meats, lamb and risottos.

Serve at 15-17 °C.
