MAGALLANES

SAUVIGNON BLANC

Fernando de Magallanes was a Portuguese-born maritime explorer who, at the service of Spain, attempted to find a westward route to the Spice Islands of Indonesia. In 1522, his expedition was the first to circumnavigate the globe and the first to navigate the strait in South America connecting the Atlantic and Pacific oceans. This wine is a homage to this brave man.

Yellow color with green tones, and intense citric fruit aromas (predominantly pink grapefruit), with herbal notes that remind of asparagus. Fresh and delicate wine with a naturally balanced acidity and a supple, soft finish.

Ideal as an apéritif, or with fresh cheeses and shellfish.

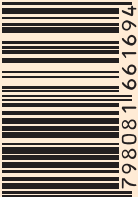

Serve at 8-10 °C.
