 AGEING Aged in new French oak barrels for 12 months.
 TASTING NOTES Deep red colour with violet shades, and very brilliant. Complex aromas, product of the different contributions from its dedicated elaboration process: fruit jams, spices, toasted bread and vanilla. In the mouth, it has a sweet entrance, with mature and amicable tannins that determine its elegance. It is a wine of good volume and weight, strong structure, and a lingering finish, with persistent aromas. Serve at 16-18°C

Unfiltered wine. It can present sediments.
 We advise to decant it 40 minutes before serving.
