FURIA

Malbec

FC001196

The name Furia implies the strength, energy and the sense of freedom of a herd of horses roaming the Argentine Pampas.

Stunning purple color. Its bouquet is rich in blackcurrant, vanilla and spices. On the palate the soft and succulent ripe fruits follow through with a surprising delicacy. The tannins are silky, coming subtly from the forefront and giving a lingering finish.

This is a wine to enjoy with meat dishes and pasta with meat and tomato sauces. Serve at 59-63 °F (15-17 °C).
