LA CONSULTA

OAK AGED

TORRONTÉS

La Consulta is the name of the region where General San Martín "consulted" indigenous chieftains about which mountain paths his army should march across the Andes during the Argentine War of Independence. This region, located in the Uco Valley, Mendoza province, boasts extraordinary conditions to produce our inspired and fruit forward wines.

Very aromatic, great personality and wild palate. Pale yellow colour with steel reflexes. In the nose, memories of orange peel, orange blossom, rose, pineapple, peach and a touch of honey. On the mouth, it has an excellent freshness and a balanced acidity.

Ideal as an aperitif. Also with regional Argentinian food: locro, empanadas salteñas and barbecue with sweetbreads, blood sausage and grilled vegetables.

Serve at 6-8 °C.
