LA CONSULTA

ROBLE

MALBEC

La Consulta is the name of the region where General San Martín "consulted" indigenous chieftains about which mountain paths his army should march across the Andes during the Argentine War of Independence. This region, located in the Uco Valley, Mendoza province, boasts extraordinary conditions to produce our inspired and fruit forward wines.

Deep and bright red-violet colours. A fine and elegant nose that reflects a perfect mix of red fruit and spices, enriched by the virtues of oak aging. Sweet mouth, with great quality tannins, that deliver a unique structure. Long finish that invites to keep drinking.

Excellent accompaniment to stews, red meat, seasoned food and "empanadas".

Serve at 15-17 °C. (59-63 °F)
