FURIA *Merlot*

FC001759

The name Furia implies the strength, energy and the sense of freedom of a herd of horses roaming the Argentine Pampas.

Furia Merlot has a bright purple color with aromas reminding of plums and hints of coffee. On the palate the full fruit flavors develop together with the vanilla tones. The light tannins follow through to give a lingering and fulfilling finish.

This is a wine to enjoy with grilled and roast meats, pasta, pizzas and cheese.

Serve at 15-17 °C (59-63 °F).
