LA CONSULTA

ROSÉ

La Consulta is the name of the region where General San Martin "consulted" indigenous chieftains about which mountain paths his army should march across the Andes during the Argentine War of Independence. This region, located in the Uco Valley, Mendoza province, boasts extraordinary conditions to produce our inspired and fruit forward wines.

Vibrant pink colour, with fresh and delicate aromas that remind of cherries, raspberries and white roses. A young and fresh wine with a good volume, a balanced acidity and a lingering finish.

Serve chilled as an apéritif, with antipasti or pairing Mediterranean salads.

Serve at 6 - 8 °C.
