## FURIA

Malbec

FCO01819

*The name Furia implies the strength, energy and the sense of freedom of a herd of horses roaming the Argentine Pampas.*

Stunning purple color. Its bouquet is rich in blackcurrant, vanilla and spices. On the palate the soft and succulent ripe fruits follow through with a surprising delicacy. The tannins are silky, coming subtly from the forefront and giving a lingering finish.

This is a wine to enjoy with meat dishes and pasta with meat and tomato sauces. Serve at 15-17 °C (59-63 °F).
