## LA CONSULTA

MALBEC

*La Consulta is the name of the region where General San Martin "consulted" indigenous chieftains about which mountain paths his army should march across the Andes during the Argentine War of Independence. This region, located in the Uco Valley, Mendoza province, boasts extraordinary conditions to produce our inspired and fruit forward wines.*

Fine and elegant on the nose: a perfect mix of red fruit and spices, enriched by the virtues of oak ageing. The wine has generous fruit balanced by soft tannins and elegant fruity acidity. The warm, complex flavours linger long on the palate.

Excellent accompaniment to stews, red meat, seasoned food and "empanadas".

Serve at 16-18 °C.
