## HERITAGE

### MALBEC

Manually harvested to ensure grapes at the optimum point of maturity. Individual bunches are selected in the vineyard and winery.  
Matured for 12 months in new French oak barrels.

This wine is deep ruby red in colour – a classic Malbec.

Specialist winemaking has resulted in complex aromas of violets (typical of the Uco Valley), black fruit, toast and vanilla. On the palate it gives an initial burst of sweet fruit, followed by a deeper, persistent flavour, balanced by ripe, soft tannins. It is an elegant, rich wine with a firm structure and long-lasting aromas.

Best decanted 40 minutes prior to serving.

Serve at 16-18 °C.
