TORRONTÉS

The Mapuches, an aboriginal tribe that inhabited Mendoza, worshipped fire and used to call it Angaro. Fire was their friend but it could also be their enemy; their blessing or their threat; their deity or their curse.

Its constant energy always was, is and always will be considered a powerful sign of life.

Symbolized by the sun, since it gives plants life and energy, fire makes possible the transformation of the vine into wine. It expresses passion, desire and birth.

Through these young and vibrant wines our people would like to pay tribute to the sun as the very essence of life.
