FAT GAUCHO

MALBEC
2011

Gauchos could live off the Argentine Pampas with only their horse, a knife and a lasso. Their favorite meals were cooked and enjoyed in the open air and accompanied with wine they kept in their satchels. Our Malbec, grown at 4,000 feet in the shadows of the Andes, provides a charming balance of red fruit and spices creating an elegant structure. Excellent with stews, red meat, seasoned food and empanadas.
