FAT GAUCHO

TORRONTÉS
2011

Gauchos could live off the Argentine Pampas with only their horse, a knife and a lasso. Their favorite meals were cooked and enjoyed in the open air and accompanied with wine they kept in their satchels. Our Torrentés is very aromatic providing hints of peach, flowers, and orange citrus fruits. On the palate it has a beautiful structure. Partners well with smoked meats, mild to medium-strong cheeses, and seafood.
