LA CONSULTA

José de San Martín, was the greatest strategist in Argentinean history, and our most recognized hero. "La Consulta", an espionage question, was one of the key tactics of San Martín's military masterplan in 1816, crossing the Andes mountain range to liberate Chile.

CABERNET SAUVIGNON

This Cabernet Sauvignon from UCO VALLEY conquers us, with its freshness and harmony. Our grapes come from the foothills of the Andes mountain range, where over 300 days of sunshine a year emphasize their vibrant colours and aromas.

Deep-red, spicy, fruity, and a harmonious balance between fruit and oak, is our winning strategy to captivate your soul and mind.

Let it amaze you at 16 °C!
