EAGLE'S ROCK

PIEDRA DEL AGUILA

20XX TORRONTES

There comes a time in the life of an eagle, when she must face a difficult situation: she has very heavy wings to fly, a curved beak and flexible nails. It is then that she refugees amongst the mountain stones. She breaks her beak against the rocks in order to let a new one grow; she tears her nails and new ones are born to emerge; she tears her wings and new ones are born as well. All that effort is not for dying but for rebirth and to continue living many more years.

This wine comes from Mendoza and it is a homage to the dedication and effort that the eagle puts in her rebirth in the mountain stones of this valley.

Serve at 43-46 °F (6-8 °C).
