ELITE MALBEC

LA CELIA
SINCE 1890

Every pioneer leaves a unique legacy. Eugenio Bustos was one such pioneer. He arrived in the Uco Valley where he planted the first Malbec vines which he received in exchange for his best-bred horse. In 1890 he founded La Celia winery to honor his daughter Celia. Today we continue his tradition, producing wines which reflect the true expression of this unique terroir.

La Celia Elite came into being as the result of Celia Bustos inspiration, who, with her delicacy, selected the noble nature to create this great wine.

Its complex, expressive and intense bouquets can be easily distinguished. This wine confers all the strength of Malbec grapes that are born in Uco Valley.
