HERITAGE MALBEC Every pioneer leaves a unique legacy. Eugenio Bustos was one such pioneer. He arrived in the Uco Valley where he planted the first Malbec vines which he received in exchange for his best-bred horse. In 1890 he founded La Celia winery to honor his daughter Celia. Today we continue his tradition, producing wines which reflect the true expression of this La Celia Heritage truly expresses the terroir of the Uco Valley. It is our homage to the legacy of Eugenio Bustos. This is a fine Malbec wine with expressive and suggestive bouquets. Its delicate hints of black fruits and concentrated nice flavors contribute to make this wonderful wine.
