ORGANIC WINE
SAUVIGNON BLANC

B-Liv wants to raise awareness about the importance of finding the balance between our wellness and environmental care. That is why this organic wine is made following a conscious approach, using recycled and recyclable materials in its packaging and renewable energy in its production.

This Sauvignon Blanc has an attractive greenish-yellow colour and very intense fruity aromas with upfront notes of citrus fruit. This is a fresh wine with delicious acidity, good volume in the mouth and a long, well-balanced finish.
