Alpaca

MERLOT

The Alpaca is a domesticated animal of the Camelidae family and a native of the Andes. This creature is highly valued for its luxurious wool, which today is exported around the world.

This wine is ruby red in colour. It has an intense perfume with aromas of ripe plum, black fruits such as blackberry and blueberry, exquisite dark chocolate, coffee and caramel. A full and juicy mouthfeel, with balanced acidity, ripe tannins, rounded and very soft. The finish shows subtle spicy notes, superbly complex with hints of smokiness and caramel.

Serving suggestions include white meats, turkey and chicken, sausages, soft cheeses such as mozzarella and brie, or pasta with meat sauces.
