SAUVIGNON BLANC | CHILE | 20XX

The Loose Moose has one goal...to help you explore wines from around the world under one trusted label. He travels extensively, finding you the best example of each wine variety so that you have access to great wines for all occasions.

From Chile's Central Valley, this Sauvignon Blanc bursts with grapefruit and passion fruit, lifted by crisp acidity. Refreshing on its own or perfect with seafood.

As with all his wines, after finding what he believes to be the best expression of Chilean Sauvignon Blanc, there was only one thing for the team to do...The Loose Moose left the winery muttering his infamous phrase "Get Bottlin' Boys!"
