D.O. VALLE DEL CACHAPOAL ANDES

The star of the Andes.

Inspired by the star-filled sky above the Andes Mountains, we planted vines on our estate in the Cachapoal Andes Valley, a very diverse site whose terroir is the result of ancient volcanic eruptions and violent earthquakes dating back millions of years. Altair, an extraordinary blend from the terroir of the Cachapoal Andes Valley.

Altair comes from different soils in the foothills of the Andes Mountain Range and reflects the diverse geological and geomorphological origins in the estate: altered volcanic soils and alluvial-colluvial deposits scattered with andesite rocks.

34°21' Latitude S · 70°42' Longitude W

This wine was aged for 16 months in 50% new French oak barrels and 2,000-litre foudres. The final blend was aged for an additional 6 months in foudres. Altair was finally released after 12 months of bottle-ageing.

Estate bottled, XXXXX standard bottles and XXX magnums.
