Alpaca

CHARDONNAY

The Alpaca is a domesticated animal of the Camelidae family and a native of the Andes. This creature is highly valued for its luxurious wool, which today is exported around the world.

The wine has a greenish-yellow colour, and is limpid. Refined and complex nose, ripe notes of fruits like pear, white peach, papaya and fresh pineapple. They are subtly backed up by hazelnut, dried fruit and almond touches, provided by the French oak. It is oily, fine and well-balanced, providing a fresh and fine long palate. Peach and melon flavours are easily identified.

Serving suggestions include fishes like hake, sole and seafood such as mussels, abalone and prawn. White meat like chicken and wild game meat, soft cheeses, avocado, cooked paprika, corn and potatoes.
