KANKANA DEL ELQUI
SYRAH
D.O. Valle de Elqui

This iconic wine from Viña San Pedro honours the Kankana hill in the coastal part of the Elqui Valley, which is currently considered to be the northern frontier for Chilean wine production. The story goes that Kankana radiates a special energy that is attuned with the clearest skies on Earth. This privileged environment makes it possible to produce an unrivalled Syrah.

Intense ruby colour with violet hues. Elegant nose showcasing mineral notes such as graphite, mixed with subtle touches of white pepper, charcuterie and black olives. On the palate, it is well balanced, with a firm acidity, velvety tannins and very long finish.
