LA CONSULTA

R E S E R V A

La Consulta is the name of the region where General José de San Martín "consulted" indigenous Chiefs, in 1816, about the trail his army should follow to cross the Andes range during the Argentine War of Independence.

CHARDONNAY

The region, located in the Uco Valley, Mendoza province, boasts extraordinary conditions to produce our inspired and fruit forward wines. Yellow in color, bright with golden reflections. On the nose, aromas of fresh fruits emerge, reminiscent of pineapple, pear and white peaches. The slight contribution of aging on its lees gives this wine a subtle creamy sensation on the palate. It's our winning strategy to captivate your soul and mind. Let it amaze you at 8°!
