PIONEROS EN EL VALLE DE UCO

PIONEER
MALBEC

Eugenio Bustos arrived in the Uco Valley and planted the first Malbec originating from France, which he obtained in exchange for his finest horse. Thus, in the year 1890, Finca La Celia was born, named in honor of his daughter. Today, its tradition lives on in our wines, which reflect the expression of a terroir unique in the world.

A Malbec with an attractive violet hue and elegant aromas that evoke red and black fruits, as well as violet flowers. It boasts refined and gentle tannins on the palate. Its aging, a combination of concrete and French oak, makes this wine a true representative of La Celia.
