

**GRAN
RESERVA
CARMENÈRE**

The grapes for this wine were hand picked, lately in May, in order to obtain soft ripe tannins. After fermentation, the wine was racked for 12 months in new French oak barrels where the malolactic fermentation was completed. The wine was bottled unfiltered to enhance all its natural characteristics.

Indeholder sulfiter Sisaldob sulfid Contains sulphites Sisältää sulfitteja
Innehåller sulfiter Sulfur sulfid Enthält sulfite Sudėtyje yra sulfitai Bevat
sulfieten Vsebuje sulfit Contient sulfites Inneholder sulfitter (E220)
