Sauvignon Blanc

The wines of Santa Cecilia are a joyful combination of modern winemaking techniques and the abundant vineyards of Chile's Central Valley.

Careful vinification brings out the pure varietal flavours of the grape in a harmonious wine that would be appreciated by St Cecilia herself (patron saint of music).

This pale golden Sauvignon Blanc has a mouth - watering aroma, with a distinct tinge of gooseberry freshness. An ideal partner for fish or sea food, or on its own as a delightful aperitif.
