Alpaca

CHARDONNAY

The Alpaca is a domesticated animal of the Camelidae family and a native of the Andes. This creature is highly valued for its luxurious wool, which today is exported around the world.

This wine is bright lemon in colour with a complex nose of ripe pears, white peach, papaya and fresh pineapple.

Subtle overtones of hazelnut, dried fruits and almond notes are provided by the influence of French oak. Its body is full and plush, well balanced and with a long finish.

Serve with fish such as hake and plaice, seafood, white meats, chicken, turkey or soft cheeses.
