GRAN RESERVA

MADE WITH ORGANICALLY GROWN GRAPES BLEND / ASSEMBLAGE 20XX

Gran Reserva Organic Wine is made exclusively from organically certified grapes from Maipo Valley, Chile. The final Red blend is a barrel selection made by the oenologist, which was aged for 12 months in American and French oak barrels. Fresh and fruity. Notes of wild fruits and flowers, such as murtilla and chamomile, meld with red fruits such as raspberry and cherry. In addition, tobacco aromas are present as well as subtle vegetal and mineral notes. A palatable wine with silky tannins and a persistent, pleasing finish.
