SANTAHELENA CABERNET SAUVIGNON Created in the 1940's, Viña Santa Helena is backed by sixty years in the winemaking business. Santa Helena wines are bought all over the world, confirming their exceptional quality. At first, Selección del Directorio was exclusively produced for Santa Helena's board members and their families.

After some time, bowever, Selección del Directorio expanded beyond this elite group, and its quality was praised in connoisseur circles throughout the world. This distinctive Reserve arises from a careful selection of grapes; it is aged during twelve months in French and American oak barrels and then left for another six months to mature in the bottle. Selección del Directorio Cabernet Sauvignon shows an intense color and is perfectly balanced with an outstanding bouquet. Full round body and medium intensity make it perfect for red meats and spicy dishes. Uncork one hour before drinking and serve at room temperature.
