SANTAHELENA CHARDONNAY Created in the 1940's, Viña Santa Helena is backed by sixty years in the winemaking business. Santa Helena wines are bought all over the world, confirming their exceptional quality. At first, Selección del Directorio was exclusively produced for Santa Helena's board members and their families. After some time, however, Selección del Directorio expanded beyond this elite group, and its quality was praised in connoisseur circles throughout the world. This distinctive Reserve arises from a careful selection of grapes; it is aged during six months in French and American oak barrels and then left for another six months to mature in the bottle. Selección del Directorio Chardonnay is a full-bodied and well-structured wine. Its bouquet is a complex mix of tropical fruits, with hints of honey, butter and toasted bazelnuts. A youthful, fresh and well balanced wine. Perfect with white meats, fish and shellfish. Serve at 10°C.
