SANTAHELENA PINOT NOIR

Created in the 1940's, Viña Santa Helena is backed by sixty years in the winemaking business. Santa Helena wines are bought all over the world, confirming their exceptional quality.

At first, Selección del Directorio was exclusively produced for Santa Helena's board members and their families. After some time, however, Selección del Directorio expanded beyond this elite group, and its quality was praised in connoisseur circles throughout the world.

This distinctive Reserve arises from a careful selection of grapes; it is aged during eight months in French and American oak barrels.

Selección del Directorio Pinot Noir shows a pale violet color, elegant and harmonious aromas perfectly balanced between fruits, oak and spices. On the palate it is medium to mild, with very smooth, mature tannins. Uncork one hour before drinking and serve at room temperature.
