This Leyda SAUVIGNON BLANC is made with estate grown fruit from the newly recognized Leyda Valley DOC. Leyda Valley is located next to San Antonio Valley just 12 kms from the Pacific Ocean. Its proximity to the sea creates the perfect conditions for the development of SAUVIGNON BLANC which takes full advantage of the cool maritime breeze in spring and summer. Leyda practices rigorous vineyard management and utilizes high quality modern winemaking techniques, always striving for perfection. This fresh fruit driven wine has grapefruit and peach aromas with good acidity making it bright and crisp on the palate.
