CARMENÈRE 20XX

D.O. IOIOIOI VALLEY

This Leyda Carmenère comes from a selected vineyard planted uphill in the Xxxxxx Valley. Originally transplanted from Bordeaux in the 1800s, the carmenère grape variety was planted throughout Chile by early wine growers. Rarely found in other parts of the world. Carmenère is considered a wine that is 'uniquely Chilean'. Careful winemaking and patient ageing in French oak barrels create a fruity, vibrant young wine that is pleasant to drink. This carmenère has a lot character; full of spicy aromas that are well balanced by blackberries and white peppers on the finish.
